

Shanahan Ridge Four Homeowners Association August 2007 Newsletter

Neighborhood Garage Sale

By popular demand, we'll be holding a neighborhood-wide garage sale on Saturday, August 18, starting at 8:00 a.m. The association will take care of publicity; all you need to do is have your items out on your own driveway or in your own yard that morning. Serious buyers start cruising early, so be prepared!

We've timed our sale to precede the big one at Fairview, which will be held the following weekend (August 25). If you have leftover items at the end of our sale, you can donate them to the Fairview sale and get a tax receipt. Volunteers will be on hand to receive your donations in the Fairview parking lot on the 18th between 9 a.m. and 4 p.m., and on Friday the 24th starting at 6 p.m. Because of increased fuel costs, Fairview won't be offering pickup service this year.

Silver Plume Block Party – Maybe Next Year?

After polling the neighborhood, it looks as if too few people are able to attend our block party this year, so we won't be holding it. Maybe there will be more interest and availability next year.

Ants in Your...?

We've had one or two infestations of carpenter ants in the neighborhood recently, and when they're disturbed, those little beasties pick up and move. So keep an eye out for especially big black ants around your house, and their telltales piles of sawdust and small rustling noises.
