

Shanahan Ridge Four Homeowners' Association  
 Architectural Review Committee  
**PRE-APPROVED PAINT COLORS**  
 Updated April 29, 2008

As a convenience to association members, the following paint colors are pre-approved as complying with the Shanahan Ridge Four covenants. While these color schemes are pre-approved, **a phone call or note is still required prior to painting** stating your address and pre-approved color selection so that our records can be kept current.

If you'd like to use a color that doesn't appear on this list, you must submit your selection to the architectural review committee for approval. If the ARC determines that the color complies with our covenants, it will be approved and added to this list.
