## May 2023 Newsletter

### New Board Members

Thanks to everyone who attended our last annual meeting! We elected some new neighbors to serve on our Board of Directors and this included Brian Moore (3620), Glenn Sanders (3775), and Jake Hohmann (3545). Don Middleton (3610) will serve in an ongoing capacity. Subsequent to that, our new Board elected new officers and positions. Jake was elected as our new Secretary, and Glenn will be serving as Chair of our Landscape Committee. Brian will be serving as Treasurer-in-training while Don will serve as President and Treasurer while Brian spins up. Jere Eggleston (3705) will continue to serve as Chair of the Architectural Review Committee (ARC), along with members Caroline Bushnell (3605) and Mark Gerwing (3675).

We'd like to express our deep gratitude and appreciation for all of the leadership and hard work provided by Bob Evans, outgoing President, and Merilee Eggleston, outgoing Secretary and Chair of our Landscape Committee! In addition to the day-to-day business of managing the affairs of our neighborhood, a great deal of progress was realized for our neighborhood during their tenure. This included a major thrust to understand better and mitigate our neighborhood's wildfire risk, along with a substantial revision of some of our policies and procedures.

### Spring Cleanup

We're running a bit late this year, but our annual Spring Cleanup will be held on Saturday May 13, 2023 with a rain date of Saturday May 20. Glenn Sanders will be heading this up, and there is much to do including picking up broken branches and roof shingles from our common areas, raking up pine needles for fire mitigation, and clearing out any other debris and dead vegetation.

We'll meet at 9:00 a.m. in the central parking island. The HOA will provide bags, twine for bundling branches, and direction. Please bring your gloves, your rake and/or loppers if you have them, and your get-it-done attitude. See you there!
